Calligraphy Workshop for Beginners

You'll learn the basics in pointed-pen calligraphy through drills, techniques on holding the pen and body mechanics. You'll practice on the minuscule alphabet of copperplate script and become familiar with its letter forms.

Supply List:

1. Calligraphy pen: oblique holder pen or straight holder
2. Nib (G)
3. Ink (black ink or walnut ink- SUMI is a good brand for beginners)
4. Bond paper (preferably substance 20)
